TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. Rashid Rizwi has trained employees of our organization on Advanced Excel in the Month of October 2020 in a three-day customized program.

We found the trainer excellent and could answer all questions asked and delivered the course in an interesting format with proper examples. Rashid stuck to friendly and confident conversation with the team, instead of limiting the training to the syllabus.

The delivery of the content was engaging. We appreciate the format of showing how to model different concepts, clearly showing formulas and shortcut keys, so that everyone understood, and then allowing time for practice. Despite the constraints of an online course, he explained the material with clarity, humor, and accuracy.

We thank him for all his efforts and wish him all the very best for his future endeavors.
